Hi Erik, just wondering if the email with share transfer agreement draft reached you well

7:13 ✓✓

Please let me know if any concerns. As written in the email, we don't have time and if the deadlines mentioned in the email has to be postponed further it'll become more difficult to transfer the business. Appreciate your cooperation

campaign with one of the largest  
Fri, Oct 10  
snow equipment retailers (with 300k  
registered members) and car  
sharing services providers as well as  
other sales and operations activities  
are beginning, so I feel it'll be more  
and more difficult to change the  
management of the business.

I need to know when the processes,  
signing and initial payment,  
happens. If the schedule has to be  
postponed significantly, I have to  
raise the purchase price as I expect  
the penalty to be paid to the existing  
buyer will increase. Because he has  
been involved in all the projects  
mentioned above.

Ikon Pass invites skiers and riders to  
adventure further into Asia throughout  
winter 25/26 with nine new  
destinations across Japan, China, and  
South Korea.

I saw a news from Alterra, I  
believe that if Earthhopper and  
Indy join force, we can have a  
stronger position in Japan.
